Thanks for this - the only section I feel reads out of context is 8.3 and this appears to be lifted from another source and needs amending in line with the tone of the rest of the document.		Sara White
Approved by me.		Mandi Barron
Approve, very thorough. Minor point but one typo noted in section 1.3 - I think this should read 'effective' not 'effecting'.		Julie Turner-Cobb
Re 3.1b): does this cover slurs on the reputation of individual members of staff? I do think some kind of explicit libel clause would be helpful. In a similar vein, examples all seem to assume that behaviours leading to disciplinary actions are all likely to be 'student on student' - I think it would be helpful if it were clearer that harassment or breaches of the equality act also apply when the victim thereof is a member of staff.		Christa van Raalte
Agree with the comments/suggestions above. Happy to approve. Thanks, Mandi for the additional information on email.		Shelley Thompson
Happy to endorse.		Andrew Bird
Can approve pending Christa's comment also implemented (which I agree with and is a very good suggestion).		Christos Gatzidis
Happy to approve and to include suggestions above.		Carol Clark
