### Festival of Learning - Global

Saturday 8th - Wednesday 12th July 2017

Run as part of Bournemouth University's annual Festival of Learning, this is a one-day event that is dedicated to Global BU and everything global at BU. In addition to this, 3 to 4 events will take place each year, each with a duration of 1 week. The purpose of these events is to deliver great presence of Global BU in the country or region where the Festival is being held. BU's global Festival of Learning is an exciting showcase and celebration of our education, research and practice in collaboration with our international partners.

- 

### **BU Be Global Festival**

Wednesday, 26th October 16

### **Time**

13:30 - 16:00

### **Venue**

Kimmeridge House

The BU Be Global Festival will give students an overview of the international activities and services available at BU that will equip them with the skills and attributes needed in today's globalised world! These can vary, from a semester of study or work placement abroad to shorter internships, volunteering, independent projects, summer schools, short courses, or even presenting papers in conferences around the world.
