BU B Global Festival

Wednesday, 26th October 2016

Time

13:30 - 16:00

Location

Kimmeridge House

The BU B Global Festival will give students an overview of the international activities and services available at BU that will equip them with the skills and attributes needed in today's globalised world! These can vary, from a semester of study or work placement abroad to shorter internships, volunteering, independent projects, summer schools, short courses, or even presenting papers in conferences around the world. The event is open to all BU staff members so do come along and find out more about the full range of opportunities on offer and how you can support and encourage students them to make the most of them.
