

Global Engagement Leads (GELs)

ROLE DESCRIPTION

Reporting to the Head of Department with a dotted arrangement to the Associate Dean (Global Engagement), the Global Engagement Leads will be responsible for ensuring that the Department maximises its opportunities to fully engage with the BU Global Engagement (GE) Plan and the Faculty Operational Plan for GE. The main responsibilities of this role are:

Strategy development

- Working with the Associate Dean Global Engagement, to develop and oversee the implementation of the institutional Global Engagement Plan 2018 and Global BU vision 2025 in the department.
- Contributing to the development and implementation of the Faculty Global Engagement Operational Plan.
- Champion the development and adoption of the Departmental GE plan.
- Advising the Head of Department and Associate Dean Global Engagement on matters relating to the allocation of resources within the Department to ensure delivery of the Faculty Global Engagement.

Operational Plan

- Leading efforts in the Department to increase outward and inward mobility programmes (including through Erasmus, Santander and other such schemes) in line with the 20% institutional target.
- Supporting the Faculty efforts to develop all our students as Global Talent through our curricular and extra-curricular proposition, as part of our efforts to enhance the education and student experience.
- Support partnership activity working closely with the AD Global Engagement and the Global Engagement Hub.
- Support global research and professional practice activities in the department.
- Any other activities across the global fusion portfolio for the department.

Coordination of activity

- Overseeing the preparation of data and submissions in connection with the Global Engagement Activity reports for the Department.
- Monitoring the Global Engagement activity in the Department to ensure that all work is progressing satisfactorily in alignment with the agreed Operational Plan.
- Advising the Head of Department and Associate Dean Global Engagement of needs, opportunities or other matters which would enhance the Global Engagement portfolio of the Department and Faculty.

Committee membership

- Be a core member of the Faculty Global Engagement Group.
- Be a core member of the Departmental Leadership Team.
