

Photography Presentation Guidelines

A creative way to demonstrate either your academic research or your research journey in a pictorial format. The photograph, taken by you, to be accompanied by a short abstract to explain the image in the context of your research.

Requirements:

- Complete the Abstract Form to express your interest in presenting at the Conference. Please ask your Supervisors to review your Abstract.
- Abstract word limit: **not exceeding 50 words**.
- 1 acceptable and clear photograph, colour or black and white. The photograph must be the presenter's own.
- The photograph must be a minimum of 250 dpi (to ensure image quality).
- Max image size up to A2 (600mm x 420mm), landscape or portrait.

Important Dates:

1. Please send your **abstract** to pgconference@bournemouth.ac.uk by **midnight, Thursday 24 November 2016**.
2. **Printing** your photograph can be arranged by the Graduate School if the photograph is received in jpeg format – email to: pgconference@bournemouth.ac.uk by **midnight, Monday 13 February 2017**.

If you have any queries or require assistance please contact the Graduate School team
