#	Responses	Date
1	The kitchen on the 8th floor will never, in my opinion, achieve the majority of the aims until the cause of the rancid smell is resolved. On the days it excels it is a matter of how quickly can you exit. It is however, pleasant to seek a cleaner and brighter area.	7/15/2014 3:44 AM
2	The smell is back with a vengeance!!	7/15/2014 3:18 AM
3	The improvements were fantastic, however the stench in the room now is unbearable and I imagine most people will not use the room. IT smells unhygienic. Thank Don	7/15/2014 2:47 AM
4	The kitchen looks so much better, good job!	7/15/2014 2:08 AM
5	The smell in the kitchen has come back. Thanks for improving our kitchen :-)	6/26/2014 10:32 AM
6	The time and effort which has gone into making these improvements is greatly appreciated. Inferring links at this very early stage with service excellence and morale is not really possible.	6/26/2014 6:16 AM
7	Thank you!	6/26/2014 1:21 AM
8	It's far more enjoyable coming over to my base on the 8th floor now. The team definitely talk more to each other - and it's great to make a cup of tea and make tea for colleagues Thank you !!!!	6/25/2014 2:55 PM
9	I think having a good working environment helps deliver improved service over time through good morale etc.	6/25/2014 9:12 AM
