Managing your Research Project			
Online module - <a href="#">Project Management in a Research Context</a>	27/10/2015		
Looking for Sources of Funding and Proposal Writing (for Funding)	16/03/2016		

### Useful Vitae Resources

- Funding covers common sources of funding for overall research and maintenance costs and provides advice on making successful application for funding: [www.vitae.ac.uk/funding](http://www.vitae.ac.uk/funding)

### BU Policy & Procedures

- Information on publications and authorship application at BU (available via [myBU Graduate School PGR Community](#) – see **Research Degree Process** (including forms and policies).

\* **Ethics 1 - Good Research Practice** is **mandatory** for all PGRs. Please complete the training course and complete the end of course quiz (below). The deadline to complete the training course and quiz is **31 March 2015** (this deadline applies to all PGRs enrolled January 2015 onwards).

Ethics 2 - Working with Human Subjects is **recommended** for all PGRs and **mandatory** if your research involves working with human participants.
