

This guide is for seminar rooms that have a document camera.

**1** Turn on the **Document Camera**. Power light should be blue.

**2** Make sure Outlook is closed.

This is to prevent email notifications being recorded during the session.

**3** Open the Panopto recorder:

Start Menu → Scroll through the applications to Panopto.

**4** Click on **Sign in with Brightspace Login**.

**5** Enter your BU IT credentials.\*

**\* Note:**

If you are unable to login to the Panopto recorder then you will need to contact:

[learningtechnology@bournemouth.ac.uk](mailto:learningtechnology@bournemouth.ac.uk)

The screenshot shows the Panopto recording interface. On the left, there are 'Primary Sources' (Microphone, Video, Audio) and 'Secondary Sources' (Capture PowerPoint, Capture Main Screen). The 'Record' button is a red circle with a white dot. The 'Session Settings' section shows 'Folder: My Folder' and 'Name: 06 October 2016 at 15:04:51'. The 'Resolution' is set to 1920 x 1080. A 'Screen capture in progress' window is visible in the center.

**6. Select a folder** – You can choose your personal 'My Folder' or another folder that has been setup for your project or team.

**7. Video** – Choose a camera from the list or select 'None'.

**8. Audio** – Select 'Microphone (ELMO UVC Camera)'. Set the slider to about 50%.

**9. Resolution** – Set to 1920 x1080

**10. Record** - To start, click '**Record**' and minimise the window.

**11. Stop** - Press **F10** or click **Stop**, then click **Upload**.

**12. Click Sign Out.**

You can close Panopto and log out whilst it is uploading but leave the computer turned on, the recording will continue being uploading in the background after you have logged out.

When the recording has been processed you will be sent an email.
