Accessing feedback

- Under Control Panel click on Unit Tools and then Turnitin Assignments
- Click on the name of the Assignment to access the Turnitin Assignment Inbox.

Grouping marks:

- Click on the GRADE column. This will sort the grades in an ascending or descending order
- Click again to reverse the order.

Viewing feedback:

- Click on the Grade next to each student’s name to view their GradeMark report and feedback, this may open in a new window that may not appear automatically. You will need to find it in the taskbar.
- In line comments will be shown with this icon. Click the speech bubble to expand the comment.
- Click on the Feedback Summary icon to view further feedback if provided.
- Click the Rubric icon to view associated rubric comments.
- Use the Paper navigation (in the top right corner) to move to the next student’s assignment.

Note: Ensure that you do not click on or type anything within Turnitin GradeMark, including rubrics, as any changes would be automatically saved.

Turnitin Originality reports

If the plagiarism element of Turnitin has been enabled, the originality reports can be viewed within the Turnitin Assignment Inbox:

- Click on the Similarity percentage next to each student’s name.
- Click on the Match Overview value. The originality report will display the percentage match and the source.
