FIND OUT MORE

- Understand how your data is being stored and used by the apps on your device.
- Always check the terms and conditions and access rights before signing up to a new app.
- Remember you can change these at any time by going into the settings of your device or the app itself.

ASK FOR CONSENT

- Always ask others before sharing something about them.
- We need to respect their choice.

TALK ABOUT IT

- If you're not sure what to do or how to respond to something that happens online, talk to someone about it.

BE IN CONTROL

- Check the privacy settings of your favourite accounts.
- Ensure that you are happy with what information people can see about you online.

POSITIVE ACTION

- Be responsible when posting online.
- If you see someone having a hard time online, offer them support and report posts that might be upsetting or offensive.
