

IT Services

We provide academic and administrative computing, networking and applications, audio-visual and media services and support for teaching spaces.

CONTACT US

Our mission is to deliver Service Excellence by providing timely, quality, customer focused and professional IT Support at every customer contact.

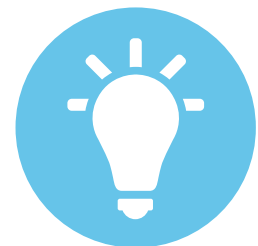

Unwanted email

If you do receive a malicious email or information security related content, it's important to know who to send it to the IT Services.

Lost BU devices

Any loss of equipment known to contain data which may fall under the Data Protection Act should be reported to the IT Services.

Data Protection Act Breaches

If you become aware of any breaches to the Data Protection Act, please report to the IT Services.

Any other IT issues and requests?

The IT Service Desk provides 24/7 hour telephone support. Alternatively, report an incident or send us request through our website.
