Quick-Facts	 University of Vechta (Universität Vechta) is a small research university in northwestern Germany, in the town of Vechta in Lower Saxony. Its study programmes concentrate on teacher training, social sciences, social work, philosophy, and gerontology. Vechta is a young, up-and-coming city with around 40,000 inhabitants in the Oldenburg Münsterland region. The rural charm combined with the innovative power of a dynamic labour market and the manageable cost of living offer perfect study conditions for all those who are not looking for the hustle and bustle of the big city and perfect for students who go at their own pace. In recent studies compiled by the OECD and study.eu Germany was deemed the no. 1 study destination for international students in Europe and the 3rd most attractive study destination among OECD countries.

Exchange students are obliged to arrange for sufficient health insurance coverage during their study period. You can apply for an EHIC/GHIC card which enables you to obtain medical assistance for free when abroad. If you are an EU passport holder you will be able to use your EHIC card when travelling to an EU country. If you are a UK passport holder and/or do not have an EU passport, please read the information about how to apply for a UK GHIC card. As a BU student, you can apply for your EHIC/GHIC card using the BU Letter Request Form. Please note that some non-European partners request that incoming students purchase additional health insurance to comply with their immigration and institutional requirements. You can find further information on the practical arrangements webpage. BU offers a comprehensive BU travel cover to all outgoing students, after reviewing BU's travel cover, and depending on personal considerations or specific health issues, some students might decide to purchase an additional insurance policy to top-up what is available. Please note that BU Travel Cover is updated every August. When travelling to Germany you must consider what document(s) you will need to enter the country and commence your studies or research at Vechta. This will depend on the country you are travelling from, your home citizenship, the length of your stay in Germany, and the purpose of your stay in Germany amongst other criteria. Please make sure to understand what is needed and secure this in time before you travel and that you have an up-to-date passport that expires no earlier than 6 months after you intend to return. Get in touch with the German Embassy to find out which documents are necessary to study in Germany. Apart from visa regulations every student has to undertake several administrative steps after their arrival in Germany to register with local authorities.
